The November 7, 2007 meeting of the Land Use & Housing (LU&H) Committee of the San Diego City Council includes the following items:

- A report from the City Planning and Community Investment Department regarding the Navajo Public Facilities Financing Plan which includes approving a Public Facilities Financing Plan for FY 2008 for the Navajo Community and to replace the current Developer Impact Fees (DIF) with new, higher Developer Impact Fees affecting the entire community.
- A report from the City Planning and Community Investment Department regarding Redevelopment Agency restructuring. Discussion of options includes forming a Redevelopment Commission, structuring the Redevelopment Agency as an independent agency, hiring staff independent of the Civil Service structure, hiring an independent Executive Director and determining what the Mayor's role should be in a restructured Redevelopment Agency.
- An update from the San Diego Housing Commission regarding the Public Housing Transition Plan in which the U.S. Department of Housing and Urban Development (HUD) would have less control over public housing in the City of San Diego and the City's Housing Commission would have greater control.

The LU&H Committee meeting takes place tomorrow, Wednesday, November 7th, at 2:00 p.m. in the City Council Committee Room on the 12th floor of the City Administration Building located at 202 C Street in downtown San Diego.
